GIFTS AND TALENTS SURVEY

The Gifts and Talents Surveys that have come in so far have given us an amazing amount of information and are helping us to match ministry needs with giftings and callings. They are also helping us to determine content of small groups and programs for the fall. We encourage everyone to fill out a survey so we can know how best to do ministry as a family.

If you have not passed your Survey in yet, it would be appreciated if you could complete it this week and either give it to one of the pastors or put it on the desk in the office. Thank you for participating in this survey.

CHILD DEDICATION

We are looking to have a Child Dedication early in the New Year. If you are a parent and are seeking to raise your little one(s) in a Christian home, why not consider this meaningful moment in your family's Christian journey. Please talk to Pastor Perry for more details if you are interested in this possibility.

BAPTISM SERVICE

There has been interest expressed in having a baptism this winter and Pastor Perry would like to make it open to anyone seeking to follow Christ's example for us. It will most likely be a February Baptism and preparation classes and information will begin mid-January. If you are interested, please contact one of our pastors at your earliest convenience.

MEMBERSHIP AT OROMOCTO BAPTIST CHURCH

Do you consider this your home church? Have you been baptized as a believer? Why not consider getting more deeply rooted by becoming a member of Oromocto Baptist ... Pastor Perry would be glad to talk with you! pastorperry@oromoctobaptistchurch.ca and/or 506-446-6947.

2013 CHURCH ENVELOPES

If you have not already picked up your church envelopes for 2013, they are available in the office. If you would like to use envelopes for your tithes and offerings, please talk to Scott Sanford (Treasurer) or any member of the Finance Board (Charles Weaver, Lesley Breau, Sandy Furzer or Marilyn Taylor). You do not have to be a member of the church to use these envelopes.

REPORTS FOR 2012 ANNUAL REPORT

It is time again for the **Reports** to be submitted for the 2012 Annual Report booklet. It would be appreciated if these reports could be in to the office by today. They can be e-mailed or placed in the office. Thank you for your co-operation.

PRAYER QUILT

If you have specific prayer requests that you would like us to remember in prayer, please fill out a prayer card found in the pews and place in the prayer quilt in the hallway. We will be sure to pray for these requests Tuesday nights in our Prayer Meeting.

CONVENTION PRAYER LINK

Happy New Year! As ministries start back up in this New Year, please pray for those who are involved in teaching/outreach ministries within our churches (Sunday School, Alpha, mid-week, children and youth programs, Music Directors, small group Bible studies, home churches, etc). Pray that these teachers and leaders may be filled with the Holy Spirit as they teach about and model Jesus. Pray for refreshment for these leaders as they begin a new season after the Christmas break.

CBM PRAYERLINE

Global

As we launch into a New Year, let us not forget The Great Commission that is at the heart of all our efforts. Pray with us that the Lord will grant a renewed sense of determination and diligence for all the tasks He has in store for us in 2013. CBM has personnel in many different countries, with many different portfolios, experiencing a variety of different and sometimes difficult cultural scenarios. Our Global Field Staff aren't a breed apart; they are ordinary folk who, like many before them, are doing great things for God and expecting great things from Him. They need our prayers and our support ... will YOU make a conscious effort to become more involved in God's work of mission in 2013?

The Sharing Way

Please keep CBM's community development work around the world in your prayers. Pray that the programs will continue to respond to the deepest needs of the poor and disenfranchised. Pray too, that God will use the staff and volunteers in the most effective and far-reaching ways, helping those who are currently unable to help themselves, to find ways to work towards self-confidence and sustainability.
